"A" Collar Height: _____ "B" Collar Height: _____

Skirt Height:

Drip Edge: Yes No X Break: Yes No

Special Instructions: _____

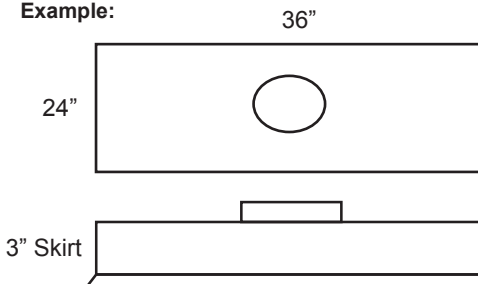

Basic Pricing for Standard Stainless Steel Chase Covers:

$$[(\text{Length} + 2\text{skirt}) + (\text{Width} + 2\text{skirt})] \times 2.05 = \text{Chase Cover Price}$$

Include the skirt length for each side in the length and width total number.

**** For multiple holes please add \$15 each****

Example:

$$\frac{42 \text{ (length + 2skirt)}}{(36 + 3 + 3)} + \frac{30 \text{ (Width + 2skirt)}}{(24 + 3 + 3)} \times 2.05 = \$147.60$$

For Copper Chase Covers please call for additional pricing.

For Chase Covers larger than 42" wide and 96" long please call for additional pricing
